

Proposed Course Progression – Class of 2026

Year 1: 2022-2023	Year 2: 2023-2024
English:	English:
AICE English General Paper	AICE English Language
Math:	Math:
Final placement to be determined based on previous	Final placement to be determined based on previous
Math course (Geometry; Algebra 2; Pre-Calculus; Analysis of Function/Trigonometry)	Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics)
Science:	Science:
Pre-AICE Biology	AICE Biology or Pre-AICE Chemistry
Cambridge Humanities Elective:	World History:
AICE Geography	AICE International History
Global Elective: (student choice)	Global Elective: (student choice)
Global Elective: (student choice)	Global Elective: (student choice)
Global Elective: (student choice)	Global Elective: (student choice)
Year 3: 2024-2025	Year 4: 2025-2026
Year 3: 2024-2025 English:	Year 4: 2025-2026 English:
100.01.2021.2020	
English:	English:
English: AP English Composition Math: Final placement to be determined based on previous	English: AP English Literature Math: Final placement to be determined based on previous
English: AP English Composition Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB;	English: AP English Literature Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB;
English: AP English Composition Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics)	English: AP English Literature Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics)
English: AP English Composition Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB;	English: AP English Literature Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB;
English: AP English Composition Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science:	English: AP English Literature Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science:
English: AP English Composition Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science: Pre-AICE Chemistry or AICE Marine	English: AP English Literature Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science: Pre-AICE Physics or AICE Marine
English: AP English Composition Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science: Pre-AICE Chemistry or AICE Marine United States History:	English: AP English Literature Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science: Pre-AICE Physics or AICE Marine Social Studies:
English: AP English Composition Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science: Pre-AICE Chemistry or AICE Marine United States History: AICE U.S. History	English: AP English Literature Math: Final placement to be determined based on previous Math course (Algebra 2; Pre-Calculus; AP Calculus AB; Analysis of Function/Trigonometry; Statistics) Science: Pre-AICE Physics or AICE Marine Social Studies: Economics; US Government
